Neighbors Helping Neighbors Fight Cancer

The Greater Atlantic Bluefish Tournament is a competitive, popular event with a significant and loyal following of local and regional fishing enthusiasts. The tournament and its associated events engages anglers from all walks of life in an enjoyable, worthwhile fund-raising campaign to aid our friends and neighbors in the fight against cancer and catastrophic illnesses.

The Greater Atlantic Cancer Fund, Inc. is a registered Non-Profit 501 (c) (3) organization with no paid workers. Funds for the organization are derived primarily through individual and corporate contributions, as well as entry fees from the tournament. We are committed to continue, “Neighbors Helping Neighbors” throughout Southern New Jersey.

Requests for patient assistance have more than doubled in the past few years. We continue to strive in providing assistance to patients who are unable to work due to debilitating illness and must make such difficult choices as whether to pay for their treatment or to pay recurring daily expenses such as rent and utilities. Facing eviction or having to make the choice of putting food on the table or paying for medicines and treatments is a terrible dilemma to face for these critical patients. Our mission is to help them through this difficult period.

Since becoming a non-profit we have helped more than 294 families from seven southern New Jersey counties. We have given grants ranging from \$250 to \$6200 to help families who are battling these illnesses. We also award an annual “Bob Ripley Scholarship” to a deserving radiological student at Shore Medical Center.

In October 2011 we added a “Chinese Auction” at the Parkertown Firehouse located in Little Egg Harbor Twp. to our event schedule. The event has become very successful.

The Greater Atlantic Cancer Fund welcomes volunteers. Anyone interested can contact us through our website: www.GABT.com.
